- ➔ **Information and resources about:** Anger, Bereavement, Bullying & harassment, Eating Disorders, Extreme moods and bipolar disorder, Memory problems, Pregnancy and postnatal emotional problems, Self esteem, Self harm, Trauma and abuse

Well-being and Lifestyle Advice; Advice about coping with physical health problems; Advice about managing feelings plus information about CBT tools

SilverCloud

- ✓ SilverCloud provides private and secure access anywhere, anytime, to evidence-based, online programs that will help teach you techniques to reduce symptoms of stress, anxiety, low mood, or depression. Based on cognitive behavioural therapy, mindfulness, and positive psychology, SilverCloud is very interactive and very flexible. It can be used on your phone or tablet device so that you always have access to it.
- ✓ We recommend that patients spend around 40 minutes per week, over 6 to 8 weeks on SilverCloud
- ✓ Programmes available cover Covid-19, Chronic Pain, Coronary Heart Disease, Diabetes, Health Anxiety, Lung Conditions, Rheumatoid Arthritis and Social Anxiety
- ✓ SilverCloud programs have demonstrated a high improvement rates for stress, anxiety and depression. You set your own pace, it is not time consuming, and you don't have to stick to rigid appointments.
- ➔ **To book a place for a patient please complete the referral form on page www.accesstherapiesfife.scot.nhs.uk/gp-corner of our website.**
